# Education and Outreach; Year 22-23

Spreading Knowledge Across Arizona

In the realm of education and outreach, SWFHC has made remarkable strides. Over the past year, we conducted a total of 121 classes, presentations, or trainings, ensuring that our message of fair housing rights and responsibilities reached every corner of the state.

If you, or someone you know, is dealing with a fair housing issue, please visit us at [www.swfhc.org](http://www.swfhc.org) to learn more, get involved, or seek assistance.
